

Berry Ice Cream

bananas,
pineapple,

frozen mixed berries
Yonanas dessert maker.

Assemble ingredients. Slice pineapple in 1/2 inch slices. Cut off skin and cut into 1/2 inch wide strips. Place pineapple pieces on foil lined baking sheet and freeze. Peel and cut bananas in half. Place on cookie sheet and freeze. Yonanas (made by Dole) is a unique dessert maker that uses frozen fruits and turns them into a delightful dessert that has a texture like ice cream. It's easy to make, serve, and clean. Since it uses only frozen fruits, Yonanas are perfect for making healthy desserts. When all fruit is frozen, place a few frozen berries into Yonanas machine and turn on machine. Add a piece of frozen pineapple. Then add a piece of frozen banana. Berries, pineapple and bananas will mix naturally. Continue to alternate a few berries, pineapple, and banana until you have desired amount of frozen dessert. Scoop into serving dishes and enjoy!
